July 21, 2010

To our customers,

We would like to extend our appreciation for your support and partnership as July 1st marked the anniversary of the integration of **H-E Parts Distribution** from the former **GRACE TRACK, GETCO LTD, and TRACTOAMERICA.**

We proudly announce the opening of our new service shop in Des Moines. With more than 75 years in the business, our team is ready to service your needs. Our full service track shop provides top quality work including power train repairs, idler build-up, and machine shop services. We are ready to service your needs by providing quality, value, and fast turnaround. Less downtime and good value deliver the professional results you demand.

Our expansion in the parts market includes the addition of Rubber Tracks, Filtration, Ground Engaging Tools, Power Train, and Power Generation. We have your construction machinery needs covered under one roof. As a factory direct distributor for well recognized brand names, H-E Parts Distribution is your supplier of choice for O.E. quality aftermarket parts at competitive prices. Thanks to our computerized inventory and experienced customer service team, you will have immediate access to the parts you need.

At H-E Parts Distribution we look forward to servicing your needs.

THANK YOU FOR YOUR SUPPORT
