INNOVATION. NOT DUPLICATION.™

**INNOVATIVE DESIGN AND
ENGINEERING. H-E PARTS HAS
BEEN THE UNDERCARRIAGE
EXPERT SINCE 1932.**

Many “budget” suppliers claim quality or value but only deliver a cheap imitation with higher long term cost. H-E Parts engineering equals OEM quality, and in many cases, offers an improved solution.

H-E Parts Advantages

- Lower Upfront and Long-Term Cost
- Significant improvement in component life
- 3rd Party destructive analysis reveals OEM parity (or better)
- Savings of 40% or more
